

If you think that you're not earning enough,
then have a look at this...

If you think that you don't have enough friends...

If you're on the edge of giving up, what about this man then??

If you think that you have it very boring in your life, what do you think about him??

Once again if you think that the bus is too late, think of this...

You think that your environment is not lovable to you???
And what about her???

Enjoy Life exactly the way it comes.
A lot of People have it worse than Us.

There are a lot of things in Life which you come across... but some of them reach your heart. Coddle them!

Actually, this email should always circulate...

**Does studying
annoy you?**

Not them!

Hate vegies?

They starve from hunger!

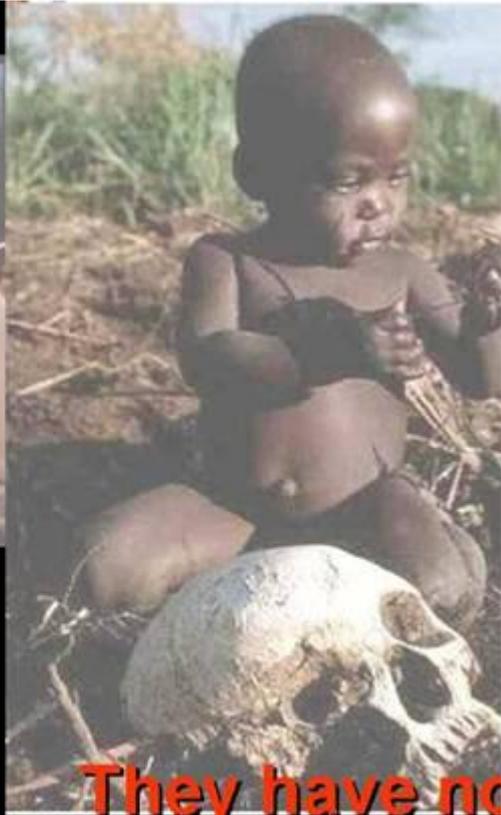

**Does your
parents care tire
you?**

**They don't hav
any!**

**Bored of the
same games?**

**They have no
option!**

**Someone got you
Adidas instead of
Nike?**

**They only ha
one brand!**

**Aren't thankful
for a bed to
sleep in?**

**They'd
wish not to
wake up!**

**Are you still
complaining?**

**Observe around you
and be thankful for all
that you have in this
transitory lifetime...**

We are fortunate, we have much more than what we need to be content.

Let's try not to feed this endless cycle of consumerism and immorality in which this "modern and advanced" society forgets and ignores the other two thirds of our brothers and sisters.
