

Claiming the date – **Saturday 28 Nov 09** “The Air We Breathe 2: Dialogue  
on Road Transportation”

**WEBSITE** for further details

Please visit our **CONFERENCE**

**What is it?**

A one-day public forum focusing on air pollution arising from road transportation and its effect on health.

**What will we talk about?**

Creating solutions for a “Liveable City”. What other are cities doing about the same problem. What planning, transport, traffic management, emissions reduction and public health policies are needed to protect the health of Hong Kong people.

**Who will be speaking?**

Local and international experts and commentators, including Prof. Chak Chan (roadside emissions, HKUST); Prof. TW Wong (public health, CUHK); Dr Channg Gyun Kim (transport systems, Seoul); Mr Michael Woo (Los Angeles City Planning Commission); Ms Anna Beech (London transport policies); Prof. Gopinath Menon (Electronic Road Pricing, Singapore); Mr Manfred Breithaupt (GTZ, Germany); and others.

**Who should come?**

Interested members of the public, transport-related businesses, transport researchers and specialists, policy makers, and public health professionals.

**Date:**

Saturday, 28 November 2009

**Time:**

8:30am – 5:00pm
