Better World Campaign Launches - My World. My UN.

This week we launched our new initiative, [My World. My UN.](#) We have created a conversation with youth around America about what the UN means to them. **It is vital that we communicate with tomorrow's leaders about the importance of a strong U.S. - UN relationship.** Watch our new video and then share your thoughts, videos and photos on why the UN is important to **YOU**, by visiting [My World. My UN.](#) One lucky person will **win a brand new iPad!**

Don't forget to share the conversation with your friends and family on [Facebook](#) and [Twitter](#).

Get The Facts!

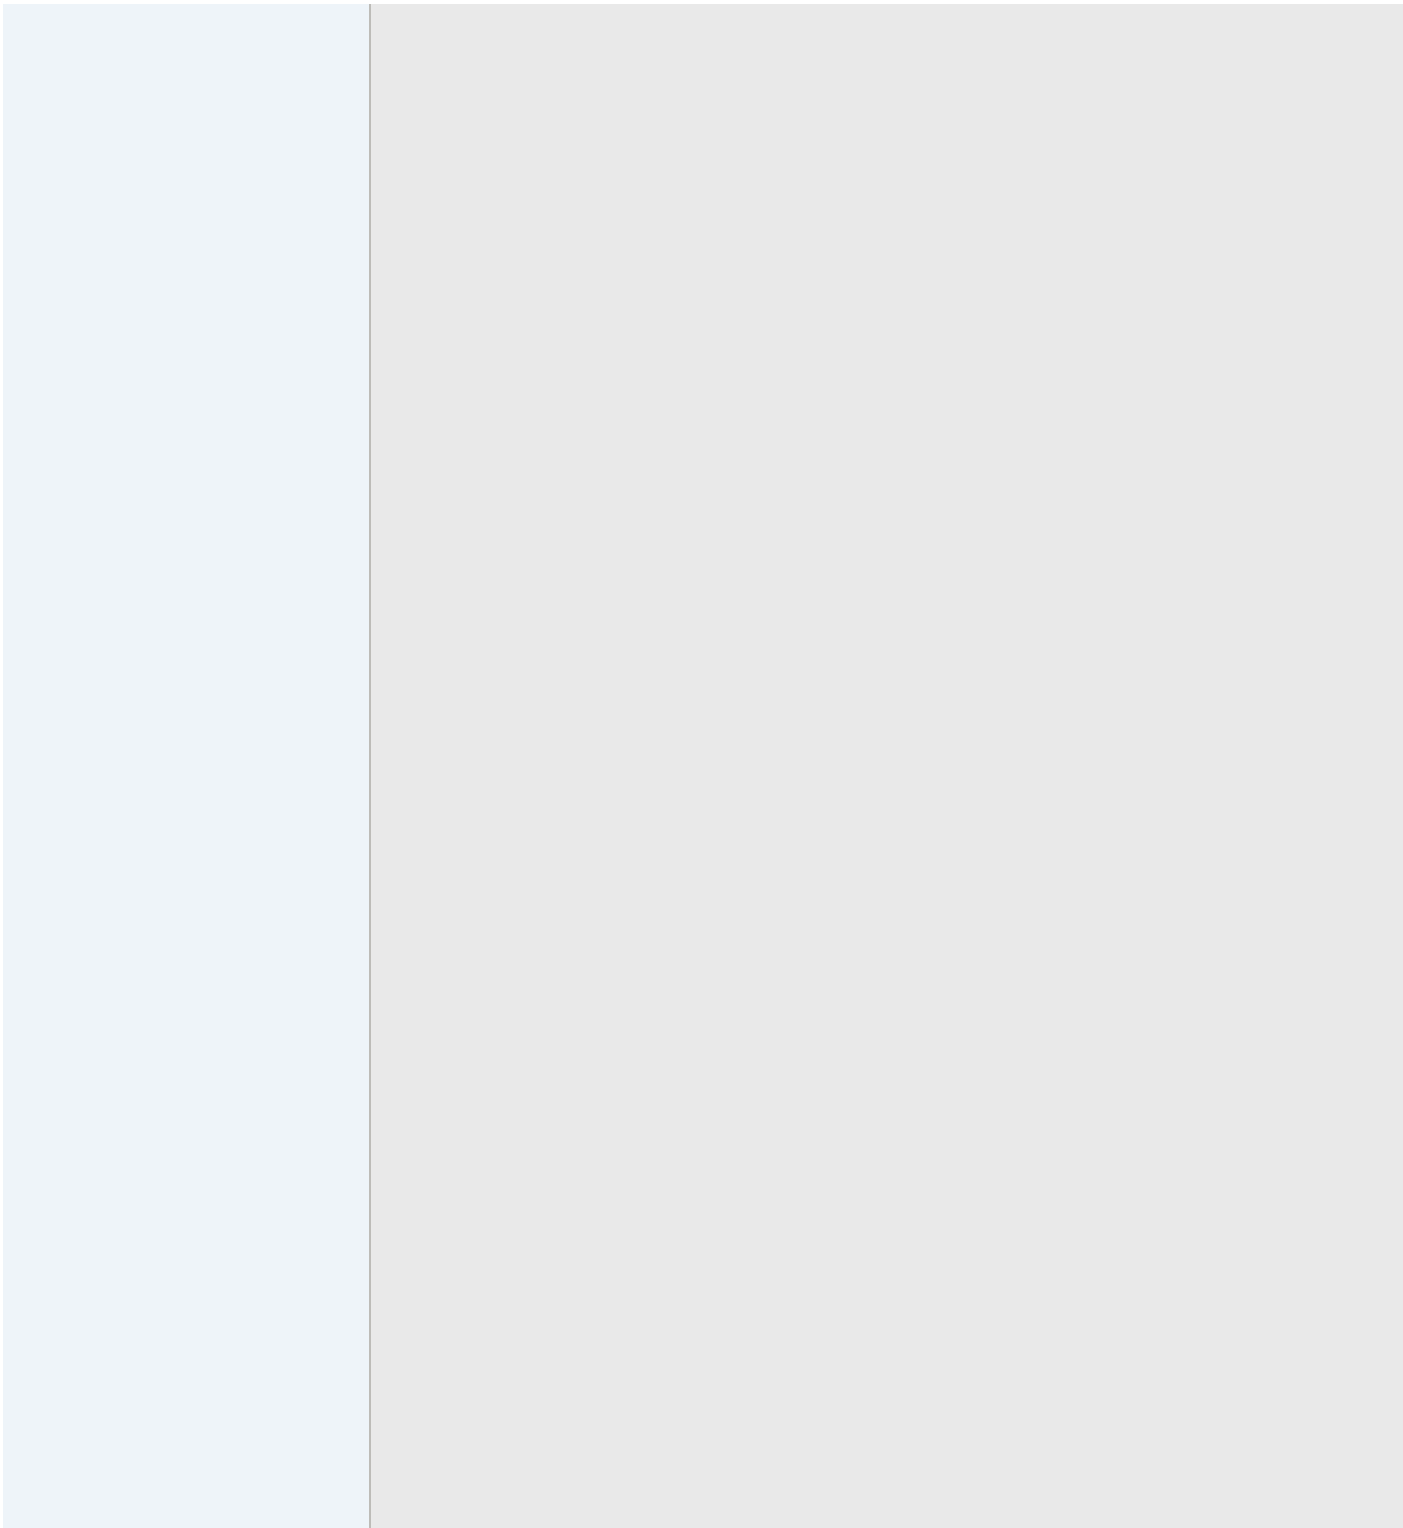

Have you heard of Agenda 21? Some groups have started spreading falsehoods about the UN's sustainable development initiative. The UN needs your help in debunking myths and setting the record straight. In the past few weeks [UNA-USA members](#) in Oklahoma, and Tennessee have been working on standing up for Agenda 21. Why is the *Daily Show* talking about UNESCO?

Earlier this month, Comedy Central's *The Daily Show* put the spotlight on [UNESCO](#), something we have been talking about since November. It's easy to forget the importance of international organizations like UNESCO, but we cannot forget that American interests are at stake. Check out the clips to see the importance of U.S. engagement with UN specialized agencies. [Watch Here >>](#)
